EDUCATIONAL BACKGROUND

African Leadership University – Kigali, Rwanda

Jan 2023 – Now

Bachelor degree

Software Engineering

I have a strong foundation in web development (front-end & back-end), Linux, Python, JavaScript, PHP, database and core programming fundamentals.

PROFESSIONAL EXPERIENCE

Intern at Toast group

May 2023-sept 2023

I was web developer intern helping their trainees to be aware of web development

Participant

Feb 2024-now

SheCanCode Program- Kigali, Rwanda

I am currently enrolled in the SheCanCode program, which is a rigorous 4-month intensive training program. The program is specifically designed to equip young women with essential skills in back-end web development. During my participation, I am focusing on mastering the fundamentals of back-end development, and I am currently gaining proficiency in JavaScript, Express, Node.JS, MongoBD, and Swagger
